Deon Rashad DeBardlabon unexpectedly passed away December 2, 2021 at the age of 29 in Bismarck, ND. He was born on March 17th 1992 in Tacoma, WA to Jonathan DeBardlabon and Renee Myhra.

Deon grew up in Fargo, ND and later made Bismarck, ND his second home. Deon formed many strong friendships throughout his life's journey and the many adventures he had.

He went on to pursue a degree in the technology field at Bismarck State College where he was on the honor roll and elected President of the Bismarck Chapter Phi Beta Lambda organization in 2018-2019. His intelligence and adaptability along with his go with the flow mentality allowed him to work a variety of jobs; ranging from bartending, honey distributor, a salon coordinator, to graphic designer.

Deon loved to travel wherever and whenever he could and made many friends along the way. Deon enjoyed the excitement of the unknown that came with being able to travel and move as he wished. Deon's charismatic energy was contagious and impossible not to love. His one of a kind laugh will be remembered by all.

He is survived in death by his father Jonathan DeBardlabon (Bismarck, ND), sisters Katelyn DeBardlabon (Fargo, ND), Korie DeBardlabon (Fargo, ND), Naomi DeBardlabon (Horace, ND), grandparents Jordan and Diana Heller (Lake Park, MN), Eva Mae Wilson (Birmingham, AL), along with many aunts, uncles and cousins. He was preceded in death by his mother Renee Myhra.

The family asks that in lieu of flowers please make a donation to Soul Solutions Recovery Center ([soulsolutions.org](https://soulsolutions.org)) or an addiction or mental health resource of your choice.

“ I am sad I was unable to make it to say a physical goodbye to Deon. Its been a long time since I had seen him but we would keep in contact here and there. My deepest condolences go out to his family and his tribe of people who were like family to him. Sadly I know how hard it is to lose someone very close to me as well and hearing of Deon's loss was heartbreaking. He was always so kind and and he was seriously so funny, we cracked jokes all the time our humor was seriously so similar. He is gonna be so greatly missed. I feel a little crack he left in the sky now that he isnt here. His memory will be alive in all of you wonderful people he effected so positively. Much love to you all        may healing find you with time.
