

Ethel Martha Buehl

September 20, 1922 - May 13, 2020

Ethel M. Buehl, 97, died Wednesday, May 13, 2020 in the Bethany on University Care Center in Fargo.

Ethel was born in Frazee, MN on September 20, 1922 to Herman and Martha (Maves) Buehl. She graduated from Frazee High School in 1939. She attended classes at North Dakota Agricultural College (NDSU) earning a Bachelor of Science degree in home economics in 1944. Ethel taught home economics in several Minnesota schools and eventually went on to do post graduate work at NDSU. She was awarded a Masters Degree in Textiles and Clothing from NDSU in 1968. Throughout her life, Ethel enjoyed sewing, reading, traveling with her sisters, collecting, letter writing to friends and loved ones, and supporting charities that were dear to her.

Jesus her Savior was especially important to Ethel, and she was an active member of Immanuel Lutheran Church in Fargo for many years. Ethel regularly attended worship and various ladies Bible studies until her declining health prevented her from participating in these activities that she loved so much. Ethel now rests from her earthly labors, in the sure and certain hope of the resurrection of the body and the life everlasting – God's gifts to all who trust in Jesus.

Ethel is survived by extended relatives and several close friends. She is preceded in death by her parents and her two sisters, Leone and Dorothy.

Memorials may be directed to Immanuel Lutheran Church in Fargo or Lutheran Hour Ministries in St Louis, Missouri.

“ What a beautiful tribute to Ethel. The Pastor knew her well.

I was a little disappointed with the sound system. However, I am just so grateful that you had this for me to watch, since I couldn't be at the service.

“ I met Ethel when she came to teach in Redwood Falls and rented a bedroom from my parents. My room was across the hall from her's so we got to know each well and had many good talks. I remember crying when she decided to take another job and was leaving. Ethel became part of our family.

I have kept in contact with her, mostly the last ten years. She really didn't want me to come and visit, but we did enjoy talking and she loved when I would send her pictures and letters.

She will be missed by so many, but now I know that she won't be suffering and she will be with her Lord. God Bless you, my dear friend.

“ Ethel was a great family friend of the Minch family. Lois Minch, age 97 of Fargo, got to know Ethel in college. They were great friends ever since. Lois visited Ethel often in her home and at Bethany before the lockdown there. We were all aware of her great friend, Matt, as well. So sorry to the family and other friends. We wish we could take part in the services, but have travel plans to Iowa.
