“ Our sincere sympathy to you all. I am a relative on the Flanders' side and remember both of your parents well. My grandparents were Lula and Severt and my parents were Della and Al. Bob stayed with us a couple of nights in Mayville while he was working on Agassiz Hall at the college here. He was a hard worker! Before Bob passed away my parents and I ran into them at Cash Wise and were able to visit for quite a while. Such a nice couple! I am so sorry to hear of Harriet's passing away. It's so sad to see that generation leaving us.

“ Thank you for your thoughtful comments. I remember visiting your parents as well. So long ago but I remember it well. They were both such good people and we all enjoyed those visits. Mom had a good, long life and so many people loved her. We will miss her.
