“ I remember meeting Kathy through our mutual friend, Mary Beth Jacobs. Kathy seemed to befriend people who were basically imperfect, like me, trying to make us feel welcome. My favorite memory is of her beautiful Mom hosting a little birthday party for Kathy at the Fargo County Club, trying to make me feel included. Kathy's favorite color was pink , so Kathy, I wish you pink roses in heaven. Be blessed. You really tried.

“ Kathy and I started a friendship in seventh grade that lasted until her passing. Of the two of us Kathy was definitely the most adventurous. I remember driving back to Fargo in a blizzard after skiing at Detroit Mountain. Kathy was completely relaxed piloting the car as calmly as if the snow and wind were not there. More adventures were to follow. Life certainly won't be the same without her.

“ Seventh grade. Agassiz. New faces and new friends. I sat near Kathy toward the back of the classroom. Several of us had very important matters to discuss everyday. We tried to whisper but got caught. We tried not to laugh, but we did. It was a joy to meet her then and periodically ever after. God bless her and the giggles, smiles and laughs she shared with so many.
