

## Kenneth Alen Pfaff

December 11, 1953 - April 6, 2019

Kenneth Alen Pfaff was born December 11, 1953 in Kellogg, Idaho to Floyd and Betty (Andersen) Pfaff. Ken received his GED and a Certificate in Culinary Arts.

Ken married Sue Nelson. He enjoyed hunting, most of all in the badlands with the gang, camping and softball. He especially loved watching his daughter Brandi play hockey. Ken also had a profound love for music.

Ken worked at the Clark station for his father. Following that, he worked at RJ Nicklay Cabinets. He started his own business with good friend Joel Torstveit in 1976. He ended his successful career in cabinetry with Wood Specialists when he retired.

Brandi and her dad had a very special, very strong loving bond that could not be broken by anything or anyone. They were two peas in a pod, very much alike; so much alike that when an argument ended, she simply said, "you're my world dad", and he responded, "no Brandi, you're my world".

Ken died unexpectedly in his home in Fargo on April 6, 2019. He was 65.

Ken is survived by his wife, Sue Pfaff; daughters, Brandi (Mike) Pfaff and Amy Werner; grandchildren, Kayla, Taylor, Carter, Thomas and Andrew; brothers, Don Pfaff and Randy Pfaff; nieces, Angie, Nicole and Jessica; nephews, David and Jordan and many aunts, uncles and cousins.

He was preceded in death by his parents, Floyd and Betty Pfaff and Faye Pfaff.

“ So sorry to hear of Ken' s death. We knew him quite well when his dad Floyd had the Roadside bar near Enderlin. When my husband and I built our home Ken built all of our cabinets for us. He also stopped by a few times to hunt Ken was a very special person. We are giving a memorial to Trinity Lutheran Church in his memory. No thank you is necessary.

“ Kenny and I met way back in 6th grade in 1966. We became great friends and Floyd and Betty, Donny, and Randy adopted me as the "Black sheep" of the family. They all are life long friends from working at the Clark station to waterskiing and playing horseshoes at Middle Cormorant always felt like part of the family. Can't help but smile when I look back at those really good memories! We had us a time back in the day!! Rest easy friend...

“ I met Kenny through my husband Butch. We had so many great times together. Many fond memories of the lake , playing cards. He was always the one to help clean up and do the dishes after a party. Kenny was a great dancer and we would have him on the dance floor all night long doing the polka and two step. We respected Kenny so much we gave our son his middle name after him. Many great memories of a great man. Rest easy my friend.

“ Kenny was very hard working and always willing to help anyone in need. He lived life to it's fullest. When our daughters were going to prom he always had to have his picture taken with the "pretty girls". He will be missed greatly.

“ Ken was a special man. He was so talented with his woodworking. He made us several beautiful oak pieces. He was always encouraging Sue to spend time with us, his in-laws. I remember when Ken and Sue took care of our dog when we went on vacation. He always said, "No dog is going to sleep in my bed." I don't think that statement lasted one whole night. He was always kind and helpful to us. He had a beautiful smile and will be missed by all who knew him.
