“ I miss you. I can't believe that you're not here anymore and that we won't be sharing laughs again. You were always there for me when I needed a friend or advice. I remember when told you about the birth of my son Rio, and the origin and meaning of his name, too. We said, "We each got a River now". You'll always be the greatest lady I ever had the pleasure of knowing, you taught me so much. Im sorry that it has been some time since we seen each other, there hasn't been a day that I haven't thought of you. Rest in peace Ma. You will always be in my heart.
