“ Where do I start with all the adventures we've had with Steve. How many of them can't or shouldn't be told. :) Summer days at May and Orville's lake place, hanging out at Lindenwood Park, 3 for 1 at the East Gate, the fun times at the trailer, growing up together, becoming parents, having our kids "the next generation" play together. We had that kind of friendship that we could go for years without talking or seeing each other, but when we did, it was like we'd never stopped. We are still in shock that God called Steve home so soon.

Renee, Derek and Dani we are so sorry for your loss, there are no words that can take away the pain. Hold on to all the wonderful memories, they will sustain you through the hard days.

Our Deepest Sympathy,
Jeff and Becki Upton

“ Steve was an amazing friend, uncle, my kids have known Steve since the day they were born. He was like a second dad to to them , he taught my daughter how to ride a bike without training wheels, and how to drive a car. He was just a wonderful generous man. I miss him so much, and he was such a wonderful husband to my sister Renee. We were blessed to have had him in our lives.
